27th Hungarian Foundry Days

The event: **27TH HUNGARIAN FOUNDRY DAYS EXHIBITION AND CONFERENCE**
Date: **13 - 15 October, 2023**
Place: **Hotel Abacus****** - 3 Gesztenyés road, H-2053 Herceghalom, Hungary
www.abacus.hu

The following events are offered to the participants according to their special fields of interest: manufacturing iron, steel and non-ferrous castings and traditional wooden/plastic/3D-printing models and metal mouldings esp. HPDC, simulation on plenary session and professional section meetings.

Professional papers

Colleagues wanting to give a professional-scientific presentation of a maximum duration of 20 minutes are kindly requested to provide a short title of their presentation in English on the [Online registration form](#).

Please send your short abstract to the Organising Committee (foundry@foundry.hu) **by 31 August 2023**. Presentations should be prepared in Power Point (.pptx file) format with English subtitles and sent to the Organising Committee (foundry@foundry.hu) **by 15 September 2023** at the latest. A laptop and projector will be provided for the presentations; please send any other technical requirements to the Organising Committee (foundry@foundry.hu).

Technical lectures with a commercial information purpose

The conference will include scientific/technical presentations on manufacturing and product demonstrations, as well as commercial presentations, each lasting a maximum of 30 minutes, for which the presenters will be invited to **15 September 2023** via the [Online registration form](#) to the Organising Committee.

International PhD-student and student section see Professional papers.

Professional factory visits

According to our plan the participants will have the opportunity to visit the following companies on Friday morning **13 October, 2023**:

- **Busch-Hungaria Iron Foundry Ltd**, Győr
- **Weiss Manfred Iron Works Ltd**, Budapest (iron foundry)

The participants to the professional visits mentioned above will get to the factories individually. This visit is only organized if enough people register for it. After the factory visits a common lunch will take place at the conference venue.

Please indicate per person which company you wish to visit in the [Online registration form](#).
